

REMARKS

At the time of the Office Action mailed on June 19, 2002, claims 1-36 were pending. All claims were rejected. No response to the Office Action was filed by September 19, 2002, and the application went abandoned.

Accompanying this Response is a Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b).

Herein, claims 1-36 are cancelled. New claims 37-46 are added. The new claims include features concerning the data storage region of the data card. The new claims are well supported by, for instance, the disclosure at pages 52-50 and Figures 38-40D.

If there are any questions, please telephone the undersigned at 408 451-5906 to expedite prosecution of this case.

Respectfully submitted,
